

BONALDO

Bloom

Bloom is a double bed with a sophisticated aesthetic that arises from the combination of a soft structure and a simple headboard, slightly curved in the upper part. It is the latter element that distinguishes the many models in the series: Bloom, Bloom hi (with a high headboard), Bloom ego (with a headboard embellished with vertical striped quilting) and Bloom hi ego (with a high

headboard and quilted). The completely removable cover is made of fabric, leather or eco-leather in the Bloom and Bloom hi models; in fabric in the Bloom ego and Bloom hi ego versions. The whole range is also made in the "open" version: the practical unit enables precious additional space to be gained for storing covers, cushions and everything necessary for the bedroom.
