Léna, 903
sedia \ chair

Disponibile nelle versioni sedia, poltroncina e poltrona, fissa con gambe in massello di frassino, e girevole con base centrale a quattro razze in alluminio, Léna propone una rilettura in chiave minimal contemporanea della classica seduta a pozzetto. Grazie alla particolare costruzione dello schienale, Léna elimina quasi completamente le cuciture creando una scanalatura che rende particolarmente funzionale la realizzazione della versione bimatrica.

Available in the chair and armchair version, as well as lounge chair version, with solid ash wood legs or four-star swivel aluminum central base, Léna proposes a reinterpretation of the classic tub chair in a contemporary minimalist style. Thanks to the construction of the backrest, Léna eliminates the sewing almost completely, creating a groove which makes the construction of the bi-material version particularly functional.
