

BONALDO

Full Moon

Full Moon is a double bed with an opulent headboard that, with its sophisticated capitonné padding, frames the bed and bestows a sense of abundance and softness, reiterated by the draped bed frame. The version with the higher headboard (Full Moon hi) can also be made with a storage (Full Moon hi open), which enables precious additional space to be gained for storing

covers, cushions and everything necessary for the bedroom. Additional distinctive details are the painted metal circular feet, available in a series of colour variations. This bed, the name of which recalls the night, and specifically an evocative full moon, is the perfect companion for encouraging the sweetest and most relaxing dreams.
